

Where candidates have been unable to attend an AMEE conference in the last 5 years, due to reasons as given in the personal statement, other equivalent scholarly contributions to AMEE will be considered by the AMEE Fellowship Committee.

Examples of actively contributing to AMEE are

- Active Reviewer for Medical Teacher
- Active Reviewer for [MedEdPublish](#)
- Contributed to the AMEE Conference through reviewing abstracts, acting as a chairperson or opening discussant
- Active contributor to [MedEdWorld](#) through submission of articles, news items, resources, leader of a Special Interest Group
- Member or contributor to an AMEE Committee
- Involved with BEME activities
- Involved with ASPIRE activities

If you feel you have contributed to AMEE in other ways that are not listed, please use the 'Other Contributions' box and specify your contributions.
